22. Declarant does hereby reserve unto itself the right to require the installation of siltation fences or erosion control devices and measures in such location, configurations, and designs as it may determine appropriate and at the lot owner's cost, in its sole and absolute discretion.

## ARTICLE II. BOUNDARY FENCE

The boundary fence, if constructed, will: (i) be situated on the north boundary line of Lots 8 through 10, inclusive, Harrison Woods; (ii) be uniform in construction; and (iii) be of wood cedar fence and stone post materials as shall be approved and determined by Declarant. Each of such Lots are collectively referred to as the "Boundary Lots".

2. Declarant hereby declares that the Boundary Lots are subject to a permanent and exclusive right and easement in favor of Declarant and the Harrison Woods Homeowners Association to maintain, repair and replace the Boundary Fence. Without limitation of the rights and easements granted by this Declaration, the Declarant or Association may come upon any of the Boundary Lots for the purpose of constructing, installing, repairing, maintaining, removing and replacing the Boundary Fence. Notwithstanding the foregoing, the Owner of a Boundary Lot agrees to keep the Boundary Fence adjoining the respective Owner's Lot in good order and repair and is primarily responsible for the repair or maintenance of the Boundary Fence adjoining the Owner's Lot.

## ARTICLE III HOMEOWNERS ASSOCIATION

1. The Association. Declarant has caused the incorporation of HARRISON WOODS HOMEOWNERS ASSOCIATION, a Nebraska not for profit corporation (hereinafter referred to as the "Association"). The Association has as its purpose the promotion of the health, safety, recreation, welfare and enjoyment of the residents of the Lots, including:

A. The acquisition, construction, landscaping, improvement, equipment, maintenance, operation, repair, upkeep and replacement of Common Facilities for the general use, benefit and enjoyment of the Members. Common Facilities may include recreational facilities such as swimming pools, tennis courts, health facilities, playgrounds and parks; and dedicated and nondedicated roads, paths, ways and green areas; signs and entrances for Harrison Woods. Common Facilities may be situated on property owned or leased by the Association, on public property, on private property owned by or subject to an easement in favor of the Association, or on property dedicated to a Sanitary Improvement District.

B. The promulgation, enactment, amendment and enforcement of rules and regulations relating to the use and enjoyment of any Common Facilities, provided always that such rules are uniformly applicable to all Members. The rules and regulations may permit or restrict use of the Common Facilities by Members, their families, their guests, and/or by other persons, who may be required to pay a fee or other charge in connection with the use or enjoyment of the Common Facility.

C. The exercise, promotion, enhancement and protection of the privileges and interests of the residents of Harrison Woods; and the protection and maintenance of the residential character of Harrison Woods.

2. Membership and Voting. Harrison Woods is initially divided into one hundred eighty-seven (187) separate residential lots (referred to as the "Lots"). The "Owner" of each Lot shall be a Member of this Association. For purposes of this Declaration, the term "Owner" of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding however those parties having any interest in any of such Lot merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

The Association shall have two (2) classes of voting members, Class A Members and Class B Members, defined as follows:

CLASS A: Class A Members shall be all Owners, with the exception of Declarant or its assigns. Each Class A Member shall be entitled to one (1) vote for each Lot owned. When there shall be more than one person or entity holding an interest in any Lot, all such persons or entities or both, shall be Members; provided, however, that the vote for such Lot shall be exercised as such persons or entities or both, shall determine, but in no event shall more than one vote be cast with respect to any one Lot. It is understood that the Owner of each respective Lot created as a result of a Lot Split shall be entitled to one (1) vote.

CLASS B: Class B Members shall be the Declarant or its assigns which shall be entitled to four (4) votes for each Lot owned. For purposes herein, Declarant shall be considered the Owner of a Lot notwithstanding the existence of any contract for sale or purchase agreement, with such ownership status continuing in all events until title is transferred by Declarant through the execution, delivery and recordation of a Warranty deed. A Class B membership shall terminate and be converted into a Class A membership upon the occurrence of the date on which the total votes outstanding in the Class A membership shall equal or exceed the total votes outstanding in the Class B membership.

The Class A and Class B Members may be sometimes collectively referred to as "Members".

3. Purposes and Responsibilities. The Association shall have the powers conferred upon not for profit corporations by the Nebraska Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the Purposes and administer the affairs of the Association. The powers and duties to be exercised by the Board of Directors, and upon authorization of the Board of Directors by the Officers, shall include but shall not be limited to the following:

A. The acquisition, development, maintenance, repair, replacement, operation and administration of Common Facilities, including, but not limited to, swimming pools, tennis courts, health facilities, playgrounds, parks, paths, ways and green areas, and the enforcement of the rules and regulations relating to the Common Facilities.

B. The landscaping, mowing, watering, repair and replacement of parks and other public or private property and improvements on parks, public or private property within or near Harrison Woods.

C. The fixing, levying, collecting, abatement, and enforcement of all charges, dues, or assessments made pursuant to the terms of this Declaration.

D. The expenditure, commitment and payment of Association funds to accomplish the purposes of the Association including, but not limited to, payment for purchase of insurance covering any Common Facility against property damage and casualty, and purchase of liability insurance coverages for the Association, the Board of Directors of the Association and the Members.

E. The exercise of all of the powers and privileges, and the performance of all of the duties and obligations of the Association as set forth in this Declaration, as the same may be amended from time to time.

F. The acquisition by purchase or otherwise, holding, or disposition of any right, title or interest in real or personal property, wherever located, in connection with the affairs of the Association.

G. The deposit, investment and reinvestment of Association funds in bank accounts, securities, money market funds or accounts, mutual funds, pooled funds, certificates of deposit or the like.

H. The employment of professionals and consultants to advise and assist the Officers and Board of Directors of the Association in the performance of their duties and responsibilities for the Association.

I. General administration and management of the Association, and execution of such documents and doing and performance of such acts as may be necessary or appropriate to accomplish such administration or management.

J. The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Association.

4. Mandatory Duties of Association. The Association shall maintain and repair the fence, signs and landscaping which have been installed in easement areas of the Harrison Woods subdivision and center islands dividing dedicated roads, in generally good and neat condition.

5. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as "dues and assessments") under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board.

6. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

7. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

8. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the Powers and Responsibilities of the Association described in Sections 3 and 4 of this Article.

9. Maximum Annual Dues. Unless excess dues have been authorized by the Members in accordance with Section 11, below, the aggregate dues which may become due and payable in any year shall not exceed the greater of:

A. One Hundred Thirty and no/100 Dollars (\$130.00) per Lot.

B. In each calendar year beginning on January 1, 2003, one hundred twenty-five percent (125%) of the aggregate dues charged in the previous calendar year.

10. Assessments for Extraordinary Costs. In addition to the dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any Common Facility, including fixtures and personal property related thereto, and related facilities. The aggregate assessments in each calendar year shall be limited in amount to Two Hundred and no/100 Dollars (\$200.00) per Lot.

11. Excess Dues and Assessments. With the approval of seventy-five percent of the Members of the Association, the Board of Directors may establish dues and/or assessments in excess of the maximums established in this Declaration.

12. Uniform Rate of Assessment. Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots, as provided in Section 5, above.

13. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

14. Effect of Nonpayment of Assessments-Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessment shall bear interest from the due date at the rate of sixteen percent (16%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Area or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

15. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

16. Additional Lots. Declarant reserves the right, without consent or approval of any Owner or Member, to expand the Association to include additional residential lots in any subdivision which is contiguous to any of the Lots. Such expansion(s) may be affected from time to time by the Declarant or Declarant's assignee by recordation with the Register of Deeds of Sarpy County, Nebraska, of a Declaration of Covenants, Conditions, Restrictions and Easements, executed and acknowledged by Declarant or Declarant's assignee, setting forth the identity of the additional residential lots (hereinafter the "Subsequent Phase Declaration").

Upon the recording of any Subsequent Phase Declaration which expands the residential lots included in the Association, the additional lots identified in the Subsequent Phase Declaration shall be considered to be and shall be included in the "Lots" for purposes of this Article III, and the Owners of the additional residential lots shall be Members of the Association with all rights, privileges and obligations accorded or accruing to Members of the Association.

B. The promulgation, enactment, amendment and enforcement of rules and regulations relating to the use and enjoyment of any Common Facilities, provided always that such rules and regulations are uniformly applicable to all Members. The rules and regulations may regulate, limit and restrict use of the Common Facilities to Members, their families, their guests, and/or by other persons, who pay a fee or other charge in connection with the use or enjoyment of the Common Facility.

C. The exercise, promotion, enhancement and protection of the privileges and interests of the residents of Harrison Woods Townhomes; and the protection and maintenance of the residential character of Harrison Woods Townhomes.

2. Membership and Voting. The "Owner" of each Lot shall be a Member of this Townhome Association. For purposes of this Declaration, the term "Owner" of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding however those parties having any interest in any of such Lot merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

The Townhome Association shall have two (2) classes of voting members, Class A Members and Class B Members, defined as follows:

CLASS A: Class A Members shall be all Owners, with the exception of Declarant or its assigns. Each Class A Member shall be entitled to one (1) vote for each Lot owned. When there shall be more than one person or entity holding an interest in any Lot, all such persons or entities or both, shall be Members; provided however that the vote for such Lot shall be exercised as such persons or entities or both, shall determine, but in no event shall more than one vote be cast with respect to any one Lot. It is understood that the Owner of each respective Lot created as a result of a Lot Split shall be entitled to one (1) vote.

CLASS B: Class B Members shall be the Declarant or its assigns which shall be entitled to four (4) votes for each Lot owned. For purposes herein, Declarant shall be considered the Owner of a Lot notwithstanding the existence of any contract for sale or purchase agreement, with such ownership status continuing in all events until title is transferred by Declarant through the execution, delivery and recordation of a Warranty Deed. A Class B membership shall terminate and be converted into a Class A membership upon the occurrence of the date on which the total votes outstanding in the Class A membership shall equal or exceed the total votes outstanding in the Class B membership.

The Class A and Class B Members may be sometimes collectively referred to as "Members".

2001-43088K

- (1) Special assessments for capital improvements, and
- (2) Monthly assessments for exterior maintenance and other operational expenses with respect to each Assessable Lot as deemed necessary by the Townhome Association, and

as such assessments shall be established and collected as hereinafter provided. The special assessments and monthly assessments together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment shall be made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person, persons, or entity who, or which, was the Owner of the property at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title, unless expressly assumed by them.

5. Purpose of Assessments. The assessments levied upon the Townhome Association shall be used exclusively to promote the health, safety, recreation and welfare of the residents on the Lots, for exterior maintenance and other matters as more fully set out in Article IV herein. Assessments shall be levied solely against an Assessable Lot. Assessable Lot shall mean and refer to any Improved Lot which the Board of Directors of the Townhome Association determines is entitled to the benefits for which assessments are levied by the Townhome Association as provided in this instrument. An Improved Lot shall mean and refer to any Lot upon which shall be erected a dwelling the construction of which shall be at least eighty percent (80%) constructed according to the plans and specifications for construction of said dwelling.

6. Monthly Assessments. The Board of Directors shall have the authority to levy and assess from time to time against any Assessable Lot any monthly maintenance assessment for the purpose of meeting the requirements of this Article IV for exterior maintenance, which assessments may not be equal for each lot or dwelling.

7. Special Assessment for Capital Improvements. The Townhome Association may levy special assessments from time to time against a Lot for the purpose of meeting the requirements of this Article IV herein for the costs of any construction, reconstruction, repair or replacement of any capital improvements on such Lot, including fixtures and personal property related thereto, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of each Lot, who shall vote in person or by proxy at a meeting duly called for such purpose.

8. Notice and Quorum for Any Action Authorized Under this Article. Written notice of any meeting called for the purpose of taking any action authorized under this Article IV shall be sent to all Members not less than 10 days nor more than 50 days in advance of such meeting. At the first such meeting called, the presence of Members, in person or by proxy, entitled to cast sixty percent (60%) of all the votes entitled to be cast by each Lot shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum, at such subsequent meeting shall be ten percent (10%) of all the votes entitled to be cast. Any such subsequent meeting shall be held within 60 days following the preceding meeting.

9. Rate of Assessment. The monthly assessments shall be paid pro rata by the Owners of all Assessable Lots based upon the total number of Assessable Lots; provided, however, the Board of Directors of the Townhome Association may equitably adjust such prorations if it determines that certain Assessable Lots on which all of the improvements are not yet completed do not receive all of the benefits for which such assessments are levied or the type of dwelling located on the Lot requires an adjustment (i.e., a duplex dwelling or a detached single family dwelling). The monthly assessments may be collected on a monthly or other periodic basis by the Townhome Association. The Board of Directors of the Townhome Association shall fix the amount of the monthly or other periodic assessments against each Assessable Lot. Written

2001-13088L

notice of the assessment shall be sent to every Owner subject thereto. The dates payments are due shall be established by the Board of Directors. The special assessments for capital improvements shall only be assessed against the Assessable Lot for which the costs of such construction, reconstruction, repair or replacement of any capital improvements occurs. The Townhome Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Townhome Association, setting forth whether or not all assessments on a specified Assessable Lot have been paid. A properly executed certificate of the Townhome Association as to the status of assessments, on a particular Assessable Lot shall be binding upon the Townhome Association as of the date of its issue by the Townhome Association.

10. Effect of Nonpayment of Assessment; Remedies of the Townhome Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear interest at the maximum legal rate allowable by law in the State of Nebraska, which at the time of the execution of these Declarations, is sixteen (16) percent per annum. Should any assessment remain unpaid more than sixty (60) days after the due date, the Townhome Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Townhome Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any Court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment or title transfer of such Owner's Lot.

11. Subordination of the Lien to Mortgages. The lien on the assessments provided for herein shall be subordinate to the lien of any first mortgage, first deed of trust, or other initial purchase money security device, and the holder of any first mortgage, first deed of trust, or other initial purchase money security device, on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Townhome Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Townhome Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage, first deed of trust or initial purchase money security device thereon is in default, if such Board of Directors determines that such lien has no value to the Townhome Association. No mortgagee shall be required to collect any assessments due. The Townhome Association shall have the sole responsibility to collect all assessments due.

12. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

13. Monthly Assessments. Monthly assessments may be assessed for, but not limited to, the following:

A. Care and maintenance of trees and shrubs, lawns, and other exterior landscaping improvements as originally installed by the Declarant or builder, except such improvements as may be within the confines of any fenced in area on any Assessable Lot or installed by or at the direction of the Owner, which improvements shall be the responsibility of the Owner. The Owner understands that the original landscape as installed by the Declarant or builder is warranted for a period of one year from the time of planting. The Owner is responsible for replacement of all dead landscaping improvements after the one year warranty period expires and the Owner agrees to allow the Townhome Association to replace such dead landscape improvements at the expense of the Owner of record at the time of replacement and the Owner shall reimburse the Townhome Association on demand.

2001-43088M

B. Operation and maintenance of an underground watering system, including the water costs.

C. Snow removal from drives, front walks and stoops only as to be determined by the guidelines set forth by the Board of Directors.

D. Trash removal, unless provided by local governmental authorities.

E. The Townhome Association shall have no duty to repair, replace or maintain any exterior concrete surfaces, including walks, driveways, patios, foundations, doors, windows, and decks.

F. Reserves for replacements, repairs and maintenance as determined by the Board of Directors.

14. Special Assessments. Special assessments may be assessed for, but not limited to, the following:

A. Maintain, repair, and replace roofs.

B. Maintain, repair, including painting, of all exterior walls, with the exception that the Townhome Association shall not assume the duty to repair or replace any glass surfaces, including, but not limited to, window glass and door glass. The Townhome Association shall not assume the duty to repair or replace any doors, door openers, and cooling units for air conditions systems. However, the Townhome Association shall assume the duty to paint the exterior surfaces of exterior doors.

C. Maintain, repair and replace gutters.

15. Party Walls. Party walls shall be constructed, maintained and repaired as follows:

A. General Rules of Law to Apply. Each wall which is built as part of the original construction of any dwelling upon a Lot, and which is placed on the dividing line between any adjoining Lots, shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

B. Sharing of Repair and Maintenance. The cost of reasonable repairs and maintenance of any party wall shall be shared by the Owners who make use of such party wall in proportion to the length of each Lot and party wall.

C. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owner or Owners shall thereafter make use of such party wall, such other Owner or Owners shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such Owner or Owners to call for a larger contribution from other Owners under any rule of law regarding liability for negligent or willful acts or omissions.

D. Weatherproofing. Notwithstanding any other provision of this Section, an Owner who, by his negligent or willful act, causes the party wall to be exposed to the

elements, shall bear the whole cost of furnishing the necessary protection against such elements and repair of damage caused by the elements.

E. Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title.

F. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Section, each Owner involved shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and all Owners shall be bound by any decision arrived at by a majority of all such arbitrations. Arbitration shall be governed by the terms of the Uniform Arbitration Act, to the extent consistent with the foregoing provisions.

16. Insurance. Insurance may be required as follows:

A. The Townhome Association may but shall not be obligated to, purchase and provide physical property coverage insurance with respect to the improvements (residential and related structures) in any amount equal to at least ninety percent (90%) of the full replacement value of the original improvements against losses by fire, lightning, wind storm and other perils covered by standard extended coverage endorsements. The full replacement value of the original improvements is defined as the base price of the original structure excluding, but no limited to, custom finished basements and any other improvements over the base original price. Insurance premiums are assessed uniformly based upon the base price of the original structures. Betterments done to the original structure and additional custom improvements shall not be covered by the Townhome Association's policy. The intent is to provide only coverage based only upon the basic purchase price excluding any custom betterments.

The Townhome Association shall also purchase and provide comprehensive general liability coverage insurance against any other hazards and in such amounts as shall be determined from time to time by the Board of Directors of the Townhome Association. The Townhome Association, in addition to the foregoing, shall provide Directors and Officers liability coverage insurance for the Townhome Association, for its Officers, and members of the Board of Directors. Finally, if the Townhome Association has any employees of any nature, the Townhome Association shall purchase and provide Workers' Compensation Insurance for all employees who may come within the scope of Nebraska Workers' Compensation laws.

The above insurance shall not cover the personal property of any Owner of any Lot, it being the Owner's responsibility to provide such insurance coverage for the Owner's protection. In addition, the Townhome Association may purchase such additional insurance against other hazards which may be deemed appropriate by the Board of Directors.

B. The Townhome Association is hereby irrevocably appointed as agent for each Owner of each and every Lot and for the holder of any Mortgage on any Lot, to adjust any and all claims arising under insurance policies purchased by the Townhome Association on the improvements on the Lots, joinder by any such Owner or mortgagee. All insurance proceeds shall be applied by the Townhome Association toward repairing the damage covered by such insurance, provided that reconstruction or repair shall not be compulsory where the damage exceeds two-thirds (2/3) of the value of all the buildings and improvements on all of the Lots covered by such insurance.

The deductible portion of the applicable master insurance policy shall be borne equally by those Lots which have suffered the loss. Should the Owners so elect not to rebuild, the insurance proceeds, along with the insurance indemnity, if any, shall be credited to each Owner in accordance with such Owner's pro rata share of the loss as sustained from the casualty for which the proceeds shall be payable. Such sums shall be first applied towards satisfaction of any recorded first mortgage, first deed of trust, initial purchase money security device against such Lots, next applied towards satisfaction of junior recorded liens in order of their priority, next toward the cost of razing the improvements or any remnants thereof from said Properties, and the filling and leveling of any of said Lots, as needed, and the remainder shall then be paid to such Owner of such razed properties on a pro rata basis.

In case the insurance proceeds do not equal the cost of repairs or rebuilding, the excess cost shall be considered a maintenance expense to be assessed and collected by the Townhome Association from the Owner of the damaged improvements. In any case of over insurance, any excess proceeds of insurance received shall be credited towards the working fund of the Townhome Association.

C. Each Lot Owner may obtain such additional insurance for the individual Owner's benefit and at such Owner's own expense as may be deemed necessary by the Lot Owner, including coverage for specific improvements and betterments in the Owner's unit, personal liability, specific personal property items, the ten percent (10%) co-insurance provision of the full replacement cost of the base price of the original structure, and any exclusions of insurance coverage from the master policy provided by the Townhome Association.

17. Access. The Townhome Association, its officers, employees and agents, contractors and repairmen designated by the Townhome Association, shall have the right to go on any Lot for the purpose of performing the duties of the Townhome Association hereunder, and the Townhome Association is hereby granted a specific easement for such purposes.

18. Utility Meters and Service Lines. In order to facilitate the installation, operation, maintenance and repair of an underground watering system, such Lots as shall be designated from time to time by the Townhome Association shall have a dual metering system for water so as to permit the drawing of water for watering of the lawns, shrubs, trees and other vegetation located upon the Lots. It is understood that the amount of water metered for the residential use on any such Lot shall be paid for by the Owner of each Lot receiving water, and the Owner shall be responsible for the meter servicing solely the Owner's Lot. Utility meters may be located within the Owner's residence.

ARTICLE V.  
EASEMENTS

1. A perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District, Qwest Communications Corporation, and any company which has been granted a franchise to provide a cable television system within the Lots, Metropolitan Utilities Company, and Sanitary and Improvement District No. 220 of Sarpy County, Nebraska, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5) foot wide strip of land abutting the front and the side boundary lines of the Lots; an eight (8) foot wide strip of land abutting the rear boundary lines of all interior Lots and all

2001-43088 P

exterior lots that are adjacent to presently platted and recorded Lots; and a sixteen (16) foot wide strip of land abutting the rear boundary lines of all exterior Lots that are not adjacent to presently platted and recorded Lots. The term exterior Lots is herein defined as those Lots forming the outer perimeter of the Lots. The sixteen (16) foot wide easement will be reduced to an eight (8) foot wide strip when such adjacent land is surveyed, platted and recorded.

2. A perpetual easement is further reserved for the Metropolitan Utilities District of Omaha, their successors and assigns to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes, hydrants and other related facilities and to extend therein pipes for the transmission of gas and water on, through, under and across a five (5) foot wide strip of land abutting all cul-de-sac streets; this license being granted for the use and benefit of all present and future owners of these Lots; provided, however, that such licenses and easements are granted upon the specific conditions that if any of such utility companies fail to construct such facilities along any of such Lot lines within thirty-six (36) months of date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then such easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the easementways but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforementioned uses or rights granted herein.

3. In the event that ninety percent (90%) of all Lots within the subdivision are not improved within five (5) years after the date on which Qwest Communications Corporation files notice that it has completed installation of telephone lines to the Lots in the subdivision (herein the "Subdivision Improvement Date"), then Qwest Communications Corporation may impose a connection charge on each unimproved Lot in the amount of Four Hundred Fifty and no/100 Dollars (\$450.00). A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on a Lot. Construction shall be considered as having commenced if a footing inspection has been requested on the Lot in question by officials of the City or other appropriate governmental authority.

Should such charge be implemented by Qwest Communications Corporation and remain unpaid, then such charge may draw interest at the rate of twelve percent (12%) per annum commencing after the expiration of sixty (60) days from the time all of the following events shall have occurred: (1) the Subdivision Improvement Date, and (2) Qwest Communications Corporation sends each owner of record a written statement or billing for Four Hundred Fifty and no/100 Dollars (\$450.00) for each unimproved Lot.

4. Other easements are provided for in the final plat of Harrison Woods which is filed in the Register of Deeds of Sarpy County, Nebraska (Instrument No. 2001-33360).
