C. The exercise, promotion, enhancement and protection of the privileges and interests of the residents of Harrison Ridge Villas; and the protection and maintenance of the residential character of Harrison Ridge Villas.

2. Membership and Voting. The "Owner" of each Lot shall be a Member of this Villas Association. For purposes of this Declaration, the term "Owner" of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding however those parties having any interest in any of such Lot merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

D

The Villas Association shall have two (2) classes of voting members, Class A Members and Class B Members, defined as follows:

CLASS A: Class A Members shall be all Owners, with the exception of Declarant or its assigns. Each Class A Member shall be entitled to one (1) vote for each Lot owned. When there shall be more than one person or entity holding an interest in any Lot, all such persons or entities or both, shall be Members; provided however that the vote for such Lot shall be exercised as such persons or entities or both, shall determine, but in no event shall more than one vote be cast with respect to any one Lot. It is understood that the Owner of each respective Lot created as a result of a Lot Split shall be entitled to one (1) vote.

CLASS B: Class B Members shall be the Declarant or its assigns which shall be entitled to ten (10) votes for each Lot owned. For purposes herein, Declarant shall be considered the Owner of a Lot notwithstanding the existence of any contract for sale or purchase agreement, with such ownership status continuing in all events until title is transferred by Declarant through the execution, delivery and recordation of a Warranty Deed. A Class B membership shall terminate and be converted into a Class A membership upon the occurrence of the date on which the total votes outstanding in the Class A membership shall equal or exceed the total votes outstanding in the Class B membership.

The Class A and Class B Members may be sometimes collectively referred to as "Members".

3. Purposes and Responsibilities. The Villas Association shall have the powers conferred upon not for profit corporations by the Nebraska Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the Purposes and administer the affairs of the Villas Association. The powers to be exercised by the Board of Directors, and upon authorization of the Board of Directors by the Officers, may include but shall not be limited to, the powers set forth in this Section 3. The Villas Association may elect, in its discretion and at its judgment to undertake none, some or all of the following:

A. The exterior maintenance, painting and insurance with respect to improvements constructed on the Lots, grounds care, snow removal, and trash collection as generally described in Sections 13, 14 and 15 of this Article.

B. The development, operation and administration of Common Facilities, and the enforcement of the rules and regulations relating to the Common Facilities.

H. The employment of professionals and consultants to advise and assist the Officers and Board of Directors of the Villas Association in the performance of their duties and responsibilities for the Villas Association.

I. General administration and management of the Villas Association, and execution of such documents and doing and performance of such acts as may be necessary or appropriate to accomplish such administration or management.

J. The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Villas Association.

4. Creation of the Lien and Personal Obligation of Assessments. The Declarant hereby covenants for each Assessable Lot and for each Owner of any Assessable Lot, by acceptance of a deed therefore or by entering into a contract for the purchase thereof, whether or not it shall be so expressed in such deed or in such contract, that it is, and shall be, deemed to covenant and agree to pay to the Villas Association:

- (1) Special assessments for capital improvements, and
- (2) Monthly assessments for exterior maintenance and other operational expenses with respect to each Assessable Lot as deemed necessary by the Villas Association, and

as such assessments shall be established and collected as hereinafter provided. The special assessments and monthly assessments together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment shall be made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person, persons, or entity who, or which, was the Owner of the property at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title, unless expressly assumed by them.

5. Purpose of Assessments. The assessments levied upon the Villas Association shall be used exclusively to promote the health, safety, recreation and welfare of the residents in the Properties and for exterior maintenance, and other matters as more fully set out in Article II herein. Assessments shall be levied solely against an Assessable Lot. Assessable Lot shall mean and refer to any Improved Lot which the Board of Directors of the Villas Association determines is entitled to the benefits for which assessments are levied by the Villas Association as provided in this instrument. Any Lot which receives no services from the Association and which has never been occupied by a resident owner or tenant, including, without limitation, "spec" houses and model homes, shall not be deemed an Assessable Lot. An Improved Lot shall mean and refer to any Lot upon which shall be erected a dwelling the construction of which shall be at least 80% constructed according to the plans and specifications for construction of said dwelling.

6. Monthly Assessments. The Board of Directors shall have the authority to levy and assess from time to time against any Assessable Lot any monthly maintenance assessment for the purpose of meeting the requirements of this Article II for exterior maintenance, which assessments may not be equal for each lot or dwelling.

7. Special Assessment for Capital Improvements. The Villas Association may levy special assessments from time to time against a Lot for the purpose of meeting the requirements of this Article II herein for the costs of any construction, reconstruction, repair or replacement of any capital improvements on such Lot, including fixtures and personal property related thereto, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of each Lot, who shall vote in person or by proxy at a meeting duly called for such purpose.

F

8. Notice and Quorum for Any Action Authorized Under this Article. Written notice of any meeting called for the purpose of taking any action authorized under this Article II shall be sent to all Members not less than 10 days nor more than 50 days in advance of such meeting. At the first such meeting called, the presence of Members, in person or by proxy, entitled to cast sixty percent (60%) of all the votes entitled to be cast by each Lot shall constitute a quorum. The required quorum at any subsequent meeting shall be ten percent (10%) of all the votes entitled to be cast.

9. Rate of Assessment. The monthly assessments shall be paid pro rata by the Owners of all Assessable Lots based upon the total number of Assessable Lots; provided, however, the Board of Directors of the Villas Association may equitably adjust such prorations if it determines that certain Assessable Lots on which all of the improvements are not yet completed do not receive all of the benefits for which such assessments are levied or the type of dwelling located on the Lot requires an adjustment (i.e., a duplex dwelling or a detached single family dwelling). The monthly assessments may be collected on a monthly or other periodic basis by the Villas Association. The Board of Directors of the Villas Association shall fix the amount of the monthly or other periodic assessments against each Assessable Lot. Written notice of the assessment shall be sent to every Owner subject thereto. The dates payments are due shall be established by the Board of Directors. The special assessments for capital improvements shall only be assessed against the Assessable Lot for which the costs of such construction, reconstruction, repair or replacement of any capital improvements occurs. The Villas Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Villas Association, setting forth whether or not all assessments on a specified Assessable Lot have been paid. A properly executed certificate of the Villas Association as to the status of assessments, on a particular Assessable Lot shall be binding upon the Villas Association as of the date of its issue by the Villas Association.

10. Effect of Nonpayment of Assessment; Remedies of the Villas Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear interest at the maximum legal rate allowable by law in the State of Nebraska, which at the time of the execution of these Declarations, is sixteen (16) percent per annum. Should any assessment remain unpaid more than sixty (60) days after the due date, the Villas Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Villas Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any Court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment or title transfer of such Owner's Lot.

11. Subordination of the Lien to Mortgages. The lien on the assessments provided for herein shall be subordinate to the lien of any first mortgage, first deed of trust, or other initial purchase money security device, and the holder of any first mortgage, first deed of trust, or other initial purchase money security device, on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Villas Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Villas Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage, first deed of trust or initial purchase money security device thereon is in default, if such Board of Directors determines that such lien has no value to the Villas Association. No mortgagee shall be required to collect any assessments due. The Villas Association shall have the sole responsibility to collect all assessments due.

12. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

13. Monthly Assessments. Monthly assessments may be assessed for, but not limited to, the following:

A. Care and maintenance of trees and shrubs, lawns, and other exterior landscaping improvements as originally installed by the Declarant or builder, except such improvements as may be within the confines of any fenced in area on any Assessable Lot or installed by or at the direction of the Owner,

G

which improvements shall be the responsibility of the Owner. The Owner understands that the original landscape as installed by the Declarant or builder is warranted for a period of one year from the time of planting. The Owner is responsible for replacement of all dead landscaping improvements after the one year warranty period expires and the Owner agrees to allow the Villas Association to replace such dead landscape improvements at the expense of the Owner of record at the time of replacement and the Owner shall reimburse the Villas Association on demand.

- B. Operation and maintenance of an underground watering system, including the water costs.
- C. Snow removal from drives, front walks and stoops only as to be determined by the guidelines set forth by the Board of Directors.
- D. Trash removal, unless provided by local governmental authorities.
- E. The Villas Association shall have no duty to repair, replace or maintain any exterior concrete surfaces, including walks, driveways, patios, foundations, doors, windows, and decks.
- F. Reserves for replacements, repairs and maintenance as determined by the Board of Directors.

14. Access. The Villas Association, its officers, employees and agents, contractors and repairmen designated by the Villas Association, shall have the right to go on any Lot for the purpose of performing the duties of the Villas Association hereunder, and the Villas Association is hereby granted a specific easement for such purposes.

15. Utility Meters and Service Lines. In order to facilitate the installation, operation, maintenance and repair of an underground watering system, such Lots as shall be designated from time to time by the Villas Association shall have a dual metering system for water so as to permit the drawing of water for watering of the lawns, shrubs, trees and other vegetation located upon the Lots. It is understood that the amount of water metered for the residential use on any such Lot shall be paid for by the Owner of each Lot receiving water, and the Owner shall be responsible for the meter servicing solely the Owner's Lot. Utility meters may be located within the Owner's residence.
